ELECTROCARDIOGRAM TECHNICIAN (EKG).....TUITION

COURSE DESCRIPTION:

Electrocardiograms are performed routinely during physical examination, pre-surgical evaluations, before starting fitness programs, and in treatment of cardiovascular diseases. This program will instruct students in the responsibilities of applying up to 12 leads electrocardiograms, patients' confidentiality, basic electrophysiology, and rhythm strip interpretations. Lectures will include medical terminology, cardiac drugs, and cardiac complications. Stress test and holter monitor will be discussed. Each student will perform up to 7 EKGs.

The Electrocardiogram Technician training program is up to 100 clock hours and up to 15 weeks.

Upon completion of the course, the student will receive a Certificate of Completion.

Price subject to change without notice: (*any such changes will not affect currently enrolled students unless they agree to such changes in writing)

Under the law you have the right, among others, to pay the full amount due and to obtain under certain conditions a partial refund of financial charges if applicable. ELIM does not charge finance charges. However, a late fee (10%) will be added to all late payments.

Methods of payment: Cash, Money order, or cashier's check. Sorry, we do not accept personal checks, debit, or credit cards.

Please see your contract regarding payments and amount due on the first day of class or orientation. Books will be issued with the first payment. Also, a criminal background check must be done before class, and a physical exam must be started before clinical.

Supplies may be bought from ELIM, or you may find uniforms and other supplies at: Wal-Mart. Please consult the yellow pages or the internet for a location near you.
