PHARMACY TECHNICIAN.....TUITION

COURSE DESCRIPTION:

Certification as a Pharmacy Technician has a variety of responsibilities depending on State Laws and guidelines. A technician receives written prescriptions or request for prescription refills from clients. They must confirm that all information on the prescription is complete and exact. To put the prescription in order, technicians must retrieve, count, pour, weigh, measure, and sometimes mix the medication. The Pharmacy technician program will prepare students to enter the pharmaceutical industry and to take the Pharmacy Technician National Exam.

The Pharmacy Technician training is up to 60 clock hours and up to 14 weeks.

Upon the completion of the program, the student will receive a Certificate of Completion.
